

antonm

bespoke automotive builds designed to break the boundaries of tradition.
created in 3D and 2D digital mediums.

"project LxGHTSPEED"
completed 06.04.22
1997 Subaru Alcyone SVX.
electric powertrain.

"sometimes i still dream of living a normal life.
maybe i'll use my craziness to change the world instead."

the "INSURGENT"
completed 01.06.23
1973 AMC Javelin AMX.
LTA 4.2L V8

"life is as fragile as that leaf that once withered away in your hands. do what you want before it's too late.
live in the now. don't wait. enjoy your time while it still lasts, because one day you won't be able to."

additional work for v-max: 2023 Nissan Z
